Onward and Upward

We are all moving onward and upward. Whether you are a freshman and just beginning your climb through high school, or a senior who is nearly finished and ready to move even higher in our society. We all have one thing in common: we all went to Guilderland. And what is that saying? That we all had the same experiences and problems? No. Some people will look back and remember all the good times they had here. While others will think of it as the worst four years of their life. No one is the same. We all have different ideas and opinions. That's what makes us individuals. But also, in some ways we're all the same breed.

All of us during some point in our high school career will experience many of the same problems. Regents exams, SAT's, and applying to colleges are all part of high school. They will prepare you for when you finally leave and go into the "REAL WORLD." The accumulation of your experiences, good and bad, will be what helps you to survive out there.

Whether we are returning to Guilderland next year or going on to better and brighter things, we will all be moving "onward and upward."

— by Matt Watkins

Freshman Class:

The freshman class — class of '91 — is off to an excellent beginning this year. With their core of officers and freshman home-room representatives, they have undertaken a Valentines jewelry sale as their first of many successful money-raising projects. They also have many other projects in mind for the next three years which will provide for the very special senior year they look forward to. Their advisors, Mr. Ron Milligan and Ms. Sharon Legge, enjoy the excellent enthusiasm and level of participation from this promising class. You can look for big things from the class of '91.

Sitting: Julie Anne Caruso, Nasrene Yadegari.
Standing: Allison Decker, Kristen Spargo.

This year's junior class officers are: Standing clockwise: Karen Bonneau — publicity, Kim Ferris — vice-president, Chris Markowski, Carmelina Scarcella, Mrs. Rose, Kristen Strnad, Jeanette Lennebacker — treasurer, Lynn Beach — secretary. Center: Kim Ferris — president.

This year we engaged in many fund raising activities for instance; the bill of fair entertainment book, a major candy sale, and flower sales. It seems that the junior class has more class spirit than ever. We are prepared for an exciting Senior year.

MESSAGES

Nicole Mahoney

Dear Nicole,
May you find as much love and cheer in your life as you have given with your beautiful smile and positive attitude.
Love,
Mom

Kristen Goodhart

Dear Kristy Goodhart,
You are truly a joy. I wish you success in all you attempt. Keep your warm loving smile and don't forget what Mark Twain said "thunder is good, thunder is impressive but it is lightening that does the work."
Love,
Mom

Leslie and David Gross

Dear Leslie and David,
You have made us very proud — each with your own accomplishments. All our love to you always.
Mom and Dad

Patricia Gifford

Dear Trish,
Our congratulations go to you filled with much respect and pride but most of all with Lots of Love.
Mom, Dick, and Lindasue

Eric Muraven

Dear Eric,
You have brought much love and laughter into our home. Never lose your sense of humor, study hard and always remember we love you.
Love,
Mom, Dad, Mark and Brian

Collen Kavanaugh,

Dear Colleen,
Thank you for just being you. You have given us much of yourself to our family and are a very special young woman. It has been great fun experiencing high school with you. We wish you much love and success.
Love,
Mom, Dad, Teresa, Kevin and Brian

Kelly Brennan

Dear Kelly,
Who ever thought the time would come when you and high school would soon be done! The "CHEERS" you gave us these past three years, reflects your spirit to your peers. Which road you take when school is through no one can foretell! But from what we've seen these past few years, LEAN TOWARD NEW-YORK-TELE!! CONGRATULATIONS! WE LOVE YOU!
Richie, Mom and Dad

Deonna Marie Messercola

Deonna,
Congratulations Princess — You have added so much to our lives and have asked for so little in return. As you graduate and this chapter in your life ends. We are so proud to be your Mom and Dad but most of all your friend. Good Luck, God Bless you,
Mom, Dad

Ronelle Tymchyn

Dear Ronelle,
You bring joy and sunshine into our lives each day. May the future hold only the very best for you, you deserve it. We love you.
Love,
Mom and Dad

Mark Bonner

Dear Mark,
Thank you for continuing to give us the pride we have always been able to show in our children. May this be the first of your achievements in a life time of learning.
We love you,
Mom and Dad

Thalia Rich

Dear Thalia,
Congratulations on a job well done. We're sure there will be many more.
Love,
Mom and Dad

Grant Roberts

Dear Grant,
Count your blessings and be grateful for the goodness life has to offer you. Take the bitter with the sweet and know it is the making of a man.
Grandma Roberts

Patricia Bolduc

Dear Patty,
Never stop reaching out for all is within your reach. We all wish the best for what lies ahead.
Love Always,
Dad, Mom, and Jon

Louis Meo

Dear Louis,
We are so proud and happy for you at this very special time in you life. All of your accomplishments have brought us much joy. We will always cherish all the wonderful memories of you, and wish you the best of everything, Happiness —
Love,
Mom and Dad

Lonny Lynn Fiber

Lonny Lyn,
You have been a joy to love and to watch grow into the wonderful person you are. Best wishes for a rewarding career as a music educator.
Mom and Dad

Kellie Tucker

Hey Mildred,
Look at the bow. It seems like just yesterday, and now you have graduated from high school. We praise and thank God for His gift of you to us. Lean on the rock as you travel life's road. You're a joy.
Love,
Mom and Dad

Kathleen Dillon

Dear Kathy,
Our free spirit, how deeply you feel life. You have the courage to think and the strength to get involved. You're a dreamer and dreamers are too rare. So few people believe enough to dream and to care. So reach out for distant shores, but turn around, for Lil' Tikey is following you.
Love,
Mom and Dad

Brian A. Smith

Dear Brian,
"Beeper" as you fought to survive the first 24 hours of your life, we knew you had spunk. That stubborn streak has made these 17 years interesting and frustrating. You've kept us on our toes! We're so very proud of you and what you believe in. You "Free styling" way is your individuality. High school graduation is only the beginning, the whole universe is yours to explore. Enjoy it, treasure it and love it as we love you.
All our love,
Mom, Dad, and Traci

Kevin Lutz

Dear Kevin,

We are so proud of you and all that you've accomplished during your high school years. The world awaits you — hope you always have blue skies — Happy Flying!!

Lots of Love,
Mom, Dad, and Kelly

Jeffrey Schimelman

Dear Jeff,

You give us so much joy and pleasure. You are very special to us and our entire family.

Much Love always
Mom and Dad

Jerry Shutter

Dear Jerry,

I wish you the very best of luck. I hope that the Navy helps you in many ways and that it's everything you expect it to be.

Dad

Dahari Brooks

Dahari,

"Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him, and He shall direct thy paths." Proverbs 3:5,6.

Mom and Dad

Christopher Rourke

Dear Chris,

With Pride for all you've been, with joy for all you are, with hope for all you'll be, and love . . . for always!

Love,
Mom, Dad, Mike and "O.J."

Dear Tam (T.T.)

Wishing you fulfillment and happiness as you enter a time of new beginnings. Know that your presence and love in our lives has been wonderful. Hey, who'll do the dishes, etc.?

Mom, Tasha, and Max

Kerry Lynn Leupold

Dear Kerry,

Thank you for making high school fun for us too! All of our love and congratulations.

Mom, Dad, Chris, and Kim

Julie Lynn Horelick

Dear Julie,

Congratulations to a very special daughter and sister who has always made us proud and filled our hearts with love and joy. We wish you a future filled only with success and happiness.

Love always,
Mom, Dad, Lisa

Dina Rossetti

Dear Dina,

We can remember when you were just a little girl, how Daddy crowned you Princess Dina of all the World. We can remember too, how we coached you to utter your first words. Not so long after you were off to school. While we found we had to loosen the reigns, we remained ever watchful of your learning progress. After just 12 short years you've reached a major milestone, so as onward you go, try to remember that what's so wonderful about learning is that you can't learn enough. Don't think that path will be smooth, because it is in making mistakes we often profit the most with love and reassurance we're at your side.

Love and Kisses,
Mom, Dad, Jim and Spunky

Jason Fialkoff

Dear Jason,

"They" say boys are made of snakes and snails and puppy dog tails.

"We" say you are made not of these — but of — giving, caring, wondering, sharing, praying, fixing, teaching, believing, joking, playing, eating, drinking, crying, laughing, working and sleeping, driving, building, learning and hugging, listening, pondering, dreaming, and loving. That's what our son is made of!

Love,
Mom and Dad

Well — yes — Boo Boo's tail, too!

Cindy M. Indilcato

Cindy,

Our wish for you is much happiness and success. You have made us all very proud.

Love,
Dad, Mom, Chris, Vicki, and Dan

Geri Anne Fennessey

Dear Geri Anne,

We love the way you've tackled life — going out and making the good things happen for yourself and others. We're so proud of your accomplishments, your integrity and your optimistic view of people. You are more than ready to meet your future.

Love,
Mom, Dad and Sophie

(P.S.) What do we do with all these WWD's while you're gone?

Kristine Nevin

Dear Kristi N.,

Your many accomplishments during your high school years have made me proud to be your mother. My love and support with you as you enter the next exciting stage of your life.

Mom

Michael Vaughn

Dear Mike,

Thank you for the years of love and laughter.

I Love You.
Mom

Branden Quadrini

Brandon,

Mom, Dad and Brothers wish you life's very best — a little bit of each of us goes with you in the fall — we love you always.

Kristina Wykes

Dear Kris,

We both, along with your three brothers, want you to know how special you are to us today, and always. Congratulations and be happy. We're proud of you!

All our Love,
Mom, Dad, Mike, Mark, and Marty

Nick Paradiso

Nick,

You have really done it now! There is nothing ahead but more success, good times, and happiness. You are a very special young man who has always made us very proud.

Love always,
Mom, Dad, Kristen and Dan

Rita Brucker

Dear Rita,

"Congratulations" You are a wonderful and beautiful loving daughter — you deserve a life of happiness. With college ahead we wish you a successful future — **YOU CAN DO WHATEVER YOU SET YOUR MIND TO! WHATEVER YOU DO — DO IT WELL** Remember — through good times and bad times your family will always be there for you. We are so proud of you and love you dearly.

Be happy and Enjoy Life
Mom, Dad, Eric and Kemo too

MESSAGES

You have been such a source of pride and joy to us. We wish you happiness and success always.

God bless,
Mom, Dad and Diane

Traci McNamara

Dear Traci,

The past four years have been quite a roller coaster ride! Best wishes in whatever you do.

Love,
Dad, Mom and David

Patricia Bolduc

Dear Patty,

Never stop reaching out, for all is within your reach. We all wish you the best for what lies ahead.

Love always,
Dad, Mom, and Jon

Kimberly Sloan

Dear Kim,

The day you were born, God smiled . . . and we've been smiling ever since. May all your dreams come true!

We love you "ever so much",
Mom, Dad and Pam

Grace Satalino

Dear Grace,

Years of happiness, tears and joy have passed, my how you've grown through it all! So small but powerful, so fragile, but strong. "Simply Marvelous" (comb your eyebrows and be home for supper).

Love Ya!,
Mom, Dad and Tony

Becky Schultz

Dear Becky,

Congratulations "Short Stuff"! I'm still not sure who raised who, but we sure have some great memories. All the best to Chrissy, Carla, Julie and Lori — they're the greatest. Take life the way it comes — one day at a time, and always remember, I LOVE YOU!

Love,
Mom

Jon Blankenship

Dear Jon,

Thanks for being you. We're proud of you. May all your hopes, dreams and aspirations happen. God bless you.

Love,
Mom and Dad

Shelly Napierski

Dear Shelly,

Your cheerful smile, your energy, your hard work and enthusiasm, make you a special person at home and at school. You brighten our lives and we love you. Bravo!

With pride and love to our graduate,
Dad, Mom, Chris, Gene and Danny

Julianne M. Noviczski

Dear Julie,

Congratulations! We are all so very proud of you. Your achievements so far, have made a good foundation to build upon. You are on your way and all of our love and best wishes go with you.

Love,
Mom, Dad, Kari, and Jimmy

Todd Geddes

To My Dearest Son Todd, who is the pride of my life, who has never given any grief, who is agreeable, pleasant and lovable to have around. My only hope for you is that you continue in your future life, as you have up to now, with respect, kindness, and consideration for everyone.

You have given me so much to be proud of. We made it this far together. Now you must continue to grow and reach your ambition in life. I know you can do it.

Good luck Todd, and always remember that I love you with all my heart and soul.

Love, to a Great Son,
Mom

Dennis Holmes

Dear Dennis,

Congratulations on a job well done. We are very proud of you and know that your college years will be exciting and successful.

Mom and Dad

Daniel Sokil

Dear Dan,

I wish you a happy future. Congratulations with lots of love. We've had a lot of great times these last 18 years.

Mom

Michele Casey

Dear Michele,

We love you, and we are so proud to be your parents. You are such a kind and loving person — never change! Congratulations on your accomplishments so far, and continue to develop your many talents.

Love,
Mom and Dad

Laura Helfer

To Peanut,

Thank you for being our daughter. We love you. We are very proud of you. May God be with you always. Always keep your beautiful smile and you can't fail.

Love ya hon,
Mom and Dad

Kathleen Ford

Dear Kathleen Annemarie Ellen Ford,

CONGRATULATIONS! To our "Little Darling", Our love surrounds you, as you graduate and venture on to college and then into the working world. Knowing you, as we do, you will bring to that world your very special love . . . your tenderness to a tiny baby, your wonderment of a small child, your outreached arms to an elderly person, and your very thoughtful and compassionate heart, to your family, and most especially to your lady, daughter and sister and we are so very proud of you. Kathleen, you are truly god's gift. Your beautiful laughter and sweet smile brighten our lives every day. From our heart of hearts, our love for you Kathleen, runneth over. Keep on smiling! God bless you! You are beautiful!

All Our Love,
Mom, Brian Anthony, Kolleen Marie Annellen and Kevin J.J., Pep and "Tootsin" Teddy

Jeremy Briggs

Dear Jeremy,

We want you to know how much we love you and are rooting for you in whatever you choose in life. You are certainly a wonderfully unique "piece of work", and we wouldn't change a hair on your head! God Bless you.

Mom and Dad

Eric Brucker

"CONGRATULATIONS" To Our Very Special Son May our love, warmth, kindness and caring bring you a life filled with happiness and satisfaction. You are a wonderful and very special person and a beautiful addition to the world. We are lucky to have you as a part of this family.

Mom, Dad, Rita and Kemo too

Dear Julie, Tricia, Mary, Jen, Julie, and Lisa,
Through the years, I've watched you grow into beautiful dancers
and fine young ladies. You will always have a place in my heart —
please keep dance in yours.

Love,
"Miss" Barb

Kathleen Visker

Dear Kathleen,

Congratulations on the successful conclusion of your high school
years. May you have health and happiness all the days of your
life. You have our prayers, love and support always.

Your family,
Mom, Dad, Chris, Derek, Pat
Kirsten, John, Jennifer, Abby,
Mike, Kittie, Kellie, Mike, Ed,
Cyndy, Heather, and Melissa

Mary Rae Landy

Dear Mary Rae,

Mom and I send our special love to you, so that you may carry it
with you always. Thank you for the joys you bring to our lives. We
are so proud of you, and we will always be there when you need
us.

Love,
Mom and Dad

Jeanette Rotermund

Dear Netter,

Congratulations! You made it — and so magnificently! Your
smile, your joy, and your zest for life have given us all so much
happiness. You are very special. You've always turned your fears
and problems into opportunities to grow. We are proud of you,
and we love you. Always "play" 100%. Go for it!

Love,
Mom, Dad, and Niffer

Julissa Calle

Dear Julissa,

Congratulations! It seems like only yesterday you started high
school and now you've graduated. We couldn't be more proud of
you. You've grown into a beautiful young lady, inside and out. We
want you to know that we will always be here for you; if you need
us, because we love you very much. Best of luck in college.

Love,
Mom, Mayra, Monica and George

Angela DeBenedetti

Dear Ang,

As you graduate from high school, we want you to know how
proud you have made us. Your personality and individualism
make you a very unique person in our eyes. We love you!

Love,
Mom and Dad

Jill Reed

Dear Jill,

Guess who will be moving in with you the first semester!!

Love ya,
Mom, Dad, Jamie, and Shiloh

James DiSanto

Dear James Michael,

It's really happened, you've made it! We are so proud of you and
the person you've become. Love forever and know we will always
be there for you!

Your Family,
Mom, Dad, Amy, and Dan

Kevin Mullaney

Dear Kevin,

We wish you all the happiness and success as you graduate from
high school. Thank you for being a wonderful son and brother.

All our love,
Mom, Dad, Michael, Patrick, and Kristen

Joseph Collorafi

Dear Joe,

As you continue to strive to reach your goals in life, know that we
wish you love, success and much happiness.

Love,
Mom, Dad, and Christina

Susan Milo

Dear Susan,

I am very proud that you are graduating and that you stuck it out
when the going got tough, when it would have been so easy to
have given up. As you go on in life, I will be there for you when
you need me.

Love,
Mom

Kim Stroebele

Dear Kim,

God gave us a very special daughter. We are proud of you and all
your many accomplishments. Congratulations on your gradu-
ation. Always remember, God loves you and so do we.

Love,
Mom and Dad

Heather Coton

Dear Heather,

There are only two gifts that you can give to your child. The first is
their roots. The second, I give to you now, on your graduation,
and that is your wings. You have become a beautiful woman, both
inside and out. I am so very proud of you.

I love you,
Mom

Kimberly A. Taylor

Dear Kim,

Congratulations on completing an important step in your life.
Your character has touched many friends, however, the unique
qualities we see in you as parents, make us proud you're our
daughter.

Love,
Mom and Dad

Chris Muller

Dear Chris,

Congratulations to the number one drummer.

We love you,
Ma and Pa Strunk

Lisa Ann White

Dear Lisa,

You are a perfect daughter. Please know that whatever you
decide for your future, we stand behind you. May you always
have health and happiness.

All our love,
Mom and Dad

Mary Kate Connery

Dear Mary Kate,

All our love goes with you on whatever path you may take. Your
sense of humor and love for life will help you succeed in whatever
you do. Keep smiling Baby Cakes — Baby Shakes!!

For the members of the Senior Class, this is our final year at Guiderland High School. Next year will be the beginning of the rest of our lives. We will encounter new frontiers, whether it be college or work or whatever lies ahead for us. But whatever happens to us, we will never forget the four years at Guiderland High School.

The summer before our freshman year we all experienced the anxiety and excitement of starting high school. Our fears ranged from, "What are the teachers going to be like?" to "Are the Seniors going to pick on me?" to "What are the SAT's?" As the months and years went on we found out that the teachers didn't bite, the Senior abuse wasn't so bad, and the SAT's were just a test!

The most important part of high school was not the score of a standardized test or our grade point average, but the friendships we made along the way. The memories of the times we spent with our friends will last much longer than any report card. For most of us, the experience of true friendships and relationships blossomed the most while in high school. The guy that you were just acquainted with in middle school became your best friend. The certain someone you only saw in the hall freshman year became your date to Homecoming. You soon found that the same person you sat next to in homeroom was taking you to football games and your lab partner had the lead in the musical. We all were exposed to people with different values and different backgrounds and this allowed us to grow and mature into the people we are today. We will reflect on these experiences and lessons throughout our lifetime and no lesson plan could have been taught so well!!

This year we will graduate and move on to bigger and better things. Yet the time we spent in high school can not be replaced by anything. It will be cherished as our lives change and as we change from teenagers to adults. We will meet new people and make new friends, but, we will never be able to relive the parties or proms or the people we spent time with. That is what has made our high school years so special!

VISIONS AND DREAMS

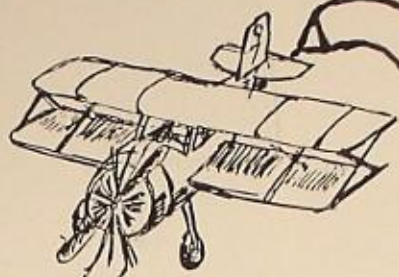

Everyone has visions. We envision ourselves with an enjoyable and stable career, a nice house, and a great-looking car. Visions of college sometimes haunt those of us who are seniors. Final exams terrorize us all.

We all have dreams. Seniors dream of graduation and diligently count down the days. The rest of us look forward to moving up a grade, and having one less year to go. We dream of future success and popularity as well as stability.

Dreams and visions play a major part in our lives. Visions of success drive us forward to take hold of our dreams and follow them, whether we're headed for a Master's Degree and profession or a quiet house in the country. May we all dream and find success. When we look back at our days at Guilderland, let us remember those visions with happy smiles and fondness in our hearts.

There was once a very rich man. On the course of his trips to the markets of the rich and famous, he heard of a great pearl. Immediately, he contacted the dealer and made an appointment to see the merchandise. When he arrived, the dealer removed the pearl from its showcase. The rich man marveled at its luster and smoothness. He inquired as to the price. Upon hearing it, he returned home, sold all he had, and bought the pearl.

A friendship is much like the pearl of great price. It is more valuable than anything; in reality — priceless. Above all, you need friends. People who are always there when you need them. At the same time, they know they can come to you with any problems. Friends share each other's secrets, hopes, and dreams. Friends are people who make you feel good about yourself and others. One is truly rich when one has a special friend. Similar to the rich man's pearl, friendship should be valued as a priceless treasure.

*"The fashion wears out more
apparel than the man"*
— Shakespeare

The High School fashion scene remains as eclectic as ever, but reporters in the field have uncovered one fashion truth: the era of the day-glow watch has ended. Many Guilderland students have swapped their swatches for more functional (i.e., decipherable) models, such as those by Gucci or Rolex.

However, classy timepieces are not the only new items on the "fashion scene." Tie-dyes, along with the entire "sixty-look," have come back with abundance. Army jackets with peace signs and "Grateful Dead" paraphernalia have become, frequent sights of Guilderland.

Accessories have also become big this year. Hats, berets, scarves, and jewelry are appearing more than ever before. Dark colors have replaced the pastels and fluorescents of previous years, and, black in particular, has become popular creating what can be best described as the "artistic" look. This "eccentric" form of dressing has always existed at Guilderland, but the artistic look has spread this year to a larger part of the student body.

And, of course, there is the ever-popular denim, back in its new acid-washed form. Acid-washed denim jackets, jeans, and mini-skirts have become prevalent throughout Guilderland. Oversized sweaters and sweatshirts remain as popular articles of clothing, as they have been in previous years. White canvas sneakers have pretty much replaced Reebok, although sneakers in general are not as popular as they used to be. Loafers, Docksidors, and high-laced boots now seem to be dominant in footwear.

Last, but not least, is the "Preppy" look, which always has and always will be in style. This aristocratic look is characterized mainly by Oxford shirts, cardigan sweaters, pleated pants skirts, and loafers. The classy "Preppy" attire is one of the few existing fashions which has not "faded with the times." Years from now, our grandchildren will probably still be wearing pennyloafers.

That's my School!

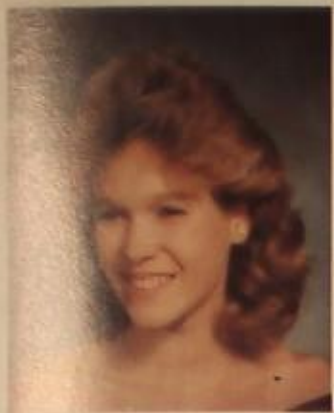

School Spirit. What is it? Is it wearing red and white, or participating in Pep Rallies? Does it have to do with being really active in student government? What about wearing beach-clothes in the middle of November, or a certain kind of shirt on a certain day? Going to the basketball, football, soccer, volleyball, and other games; is that what they mean by school spirit? Does it include cheering until your voice is gone, and screaming wildly when a game is won?

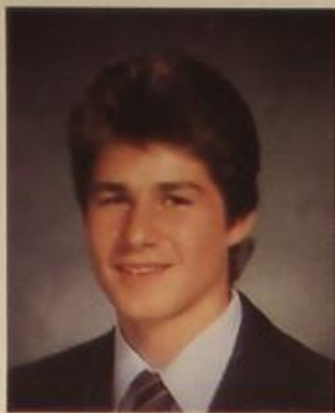

The answer is all of the above, plus so much more. School spirit is supporting your school no matter what. It's actively participating in school activities, and having a blast doing it. Anybody can have school spirit. You don't have to dress crazy, or scream your lungs out. School spirit is just firm and lasting support of what your school does, and more importantly what the people of the school do. When anybody mentions Guilderland High, you should feel pride and honor as you say, "That's my school." Now, that's school spirit.

HOMECOMING

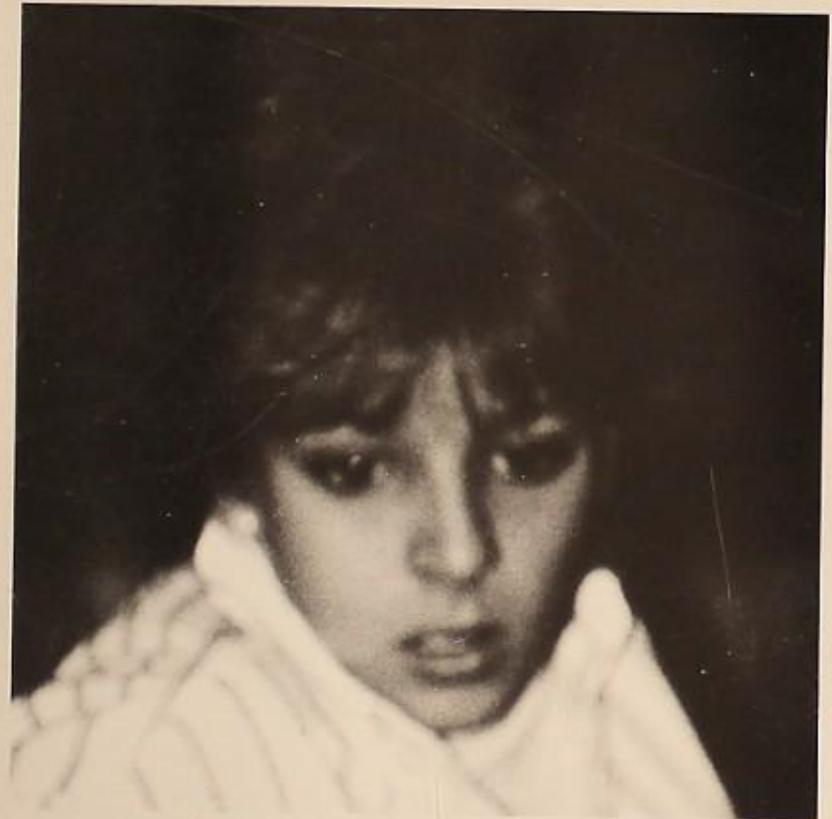

In Memoriam

Julia Graziano
1969-1987

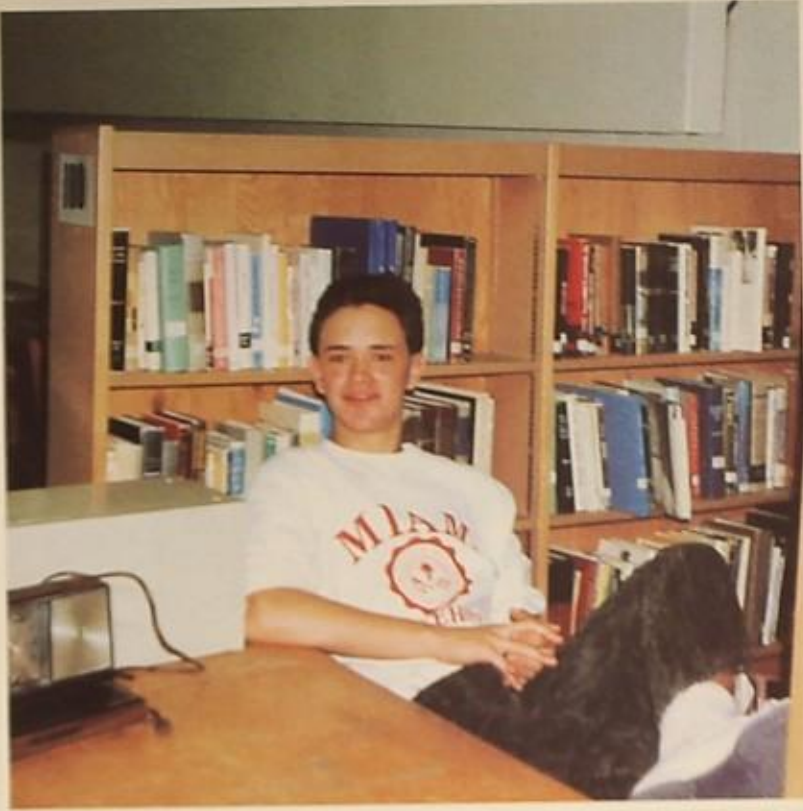

Laugh, and the world laughs with you;
Weep, and you weep alone.
For the sad old earth must borrow its mirth,
But has trouble enough of its own.
Sing, and the hills will answer;
Sigh, it is lost on the air.
The echoes bound to a joyful sound,
But shrink from voicing care.

— Ella Wilcox

... And meeting again after moments or lifetimes,
Is certain for those who are friends.

— Gordon Lightfoot

Business

WE MEAN BUSINESS!

Students taking courses in the Business Department are using the computer more and are more directly involved in the activities. The emphasis in many of the courses has gone from lecture to active involvement. In effect students are becoming better prepared for the working world as well as for college as a result of taking courses in accounting (regular or accelerated), marketing, law, and what is known traditionally as secretarial preparation (keyboarding, shorthand, etc.).

In addition, the new Business Analysis/Business Computer Applications provides all students with a better understanding of how computers are integrated into all phases of life, not just in Business. Introduction to Occupations, the base for all Business sequences, provides a good foundation for skills necessary in life, not just in the world of work. Office Procedures continues to be the capstone course, enabling students to use their accumulated knowledge in practical applications. Work Experience enables all students, not just occupational students, to learn how to deal with work situations before graduating.

The teachers are constantly refining and developing course content and activities to meet the needs of the students, business, and community — and meeting the objectives identified at the State level.

WE MEAN BUSINESS!

Science

The science department is planning for a major move in 88-89. The entire biology wing will move from the 500 wing (west) to the 400 wing (east). This will create many opportunities for teachers and students. Research facilities will be consolidated, teachers will be closer to each other for communication and some new equipment and furnishings will be purchased.

The science program continues to offer opportunities for all students to take coursework. We continue to add new and improved equipment to our classes. This year we have purchased new microscopes to replace many ancient ones. We continue to add other equipment for our research courses.

Social Studies

The Social Studies department is in the midst of a curriculum change based on the mandates of the New York Education Department. Grade 9 has added a unit on Latin America and is in the first phase of a two year program entitled *Global Studies*. Next year, Social Studies 10 becomes the second year of *Global Studies* with the Middle East and Eastern Europe units being added. Teachers are beginning to prepare for this change. In grade 11 the *American Studies* course has been replaced by the course *United States History* and will culminate with a new regents examination in June 1988. An experimental competency test in Social Studies 11 will be given in June 1988 also, with the test becoming a reality in June 1989. In grade 12 a course entitled *Syracuse University Project Advance: Public Policy* will begin in January and gives students an opportunity for an additional college credit course.

Technology Education

A new school subject, Technology Education, was introduced in the High School this year. The primary goal for this change was to provide students with technological literacy as part of their fundamental education. A new high school technology sequence and new courses were made available for both Regents and local diploma students.

Guilderland students who took courses in technology education this year became aware of several exciting changes in the Tech. Ed. department. Not only were there several new courses to select from, there were also completely new labs to study and work in as well. In addition to the new attractive labs that are bright and cheerful was the "State of the art" new equipment for robotics, CAD CAM, electronics, computers and graphics. Guilderland now has very modern facilities for all its students who wish to study in the technologies field to better prepare themselves for college and the work force.

Math

The goals for our Mathematics Department this year include striving to promote increased achievement by encouraging students to put forth the time and effort needed to accomplish this. Each student needs to gain confidence in their ability to do mathematics. Sometimes, for some of us, that requires a great deal of perseverance. Mathematics is not a spectator sport — it requires active participation. Students should begin to understand how mathematics contributes to their reasoning and problem solving ability — how different strategies can be used for solving problems — to recognize that there is more than one way to solve a problem. We encourage competition by stressing participation in the New York Mathematics League contest and in the American High School Mathematics Examination. This year we are teaching, for the first time, an honors course in Course 3 and a Computer Programming course (3) which uses the Pascal programming language. We are getting ready to offer Advanced Placement Computer Science as well as a more intense Advanced Placement Calculus course within the next few years.

English

Developing stronger readers, writers, speakers, listeners, and thinkers are the major ongoing goals of the English Department. Indeed, the development of these goals is central to all subjects and necessary to being informed citizens.

In addition to encouraging students to excel in these areas in the classroom, the department encourages students to go "public" with their talents. Entering writing contests, publishing in the classroom, submitting pieces to *The Troubador* and writing for *The Journal* are some of the ways students can show off their writing. This is the fourth year that our students have participated in the Shakespearean Recitation Contest. And for the second year, the department sponsored a Writers of the Month Program which asked faculty from all disciplines to submit student writing that was the best response to any given assignment.

We also think our students are so good that we nominate some for national recognition for the NCTE Achievement Award in Writing. Senior, Mark Daly, was one of some 800 students nationwide to receive this award. We are proud of our students and their achievements and continue to strive to provide meaningful and challenging experiences in the English/Language Arts.

Foreign Language

The Foreign Language department offers a program in five languages. Most of our students in French and Spanish are keeping their sequence from the study they began in the middle school. German and Italian, however, also have a good enrollment offering four years sequence in German and three years in Italian.

Latin is offered as a one year program. Students may also earn college credit through our program "The University in High School" offered in cooperation with SUNYA. The courses for additional college credits are German 4, French 5-6, and Spanish 5-6.

The Foreign Language department offers the latest techniques in teaching methods using audio cassettes, computers and professionally prepared videotapes for best educational achievements. Special programs in Foreign Language, recorded directly from our new satellite dish, are also used in classrooms. Students may also use software available in the library for self-instruction or for preparation for the College Achievement test.

Remember: you learn more about your language when you learn a second language! Be Bilingual!

Health

The Health program continues to flourish. We have added new audio visual materials to the program and a new VCR to view them with. The CPR program is revised, according to new Red Cross guidelines, and continues to train a couple of hundred students per year.

Principal's Message

Dear Members of the Class of 1988,

You have worked; you have striven for the best you could be; you have labored for the knowledge; you have opened your minds to new ideas. You have done all of this, and you have succeeded — you have come through!

Yet, even as you realize this, you realize that graduation is not an ending, but a transition from one phase of your lives to another. It is the step that leads to new and different pathways.

There should be love and fondness for what you have done. There should be anticipation and joy for what yet will come. The days you have spent at Guilderland Central High School should be but the prologue for happy and fulfilling days yet to come.

On behalf of the faculty and staff, I wish that each and every one of you lead a life that is filled with challenges which allow you to grow, knowledge that allows you to succeed, and peace, which makes everything worthwhile.

Congratulations to one super class!

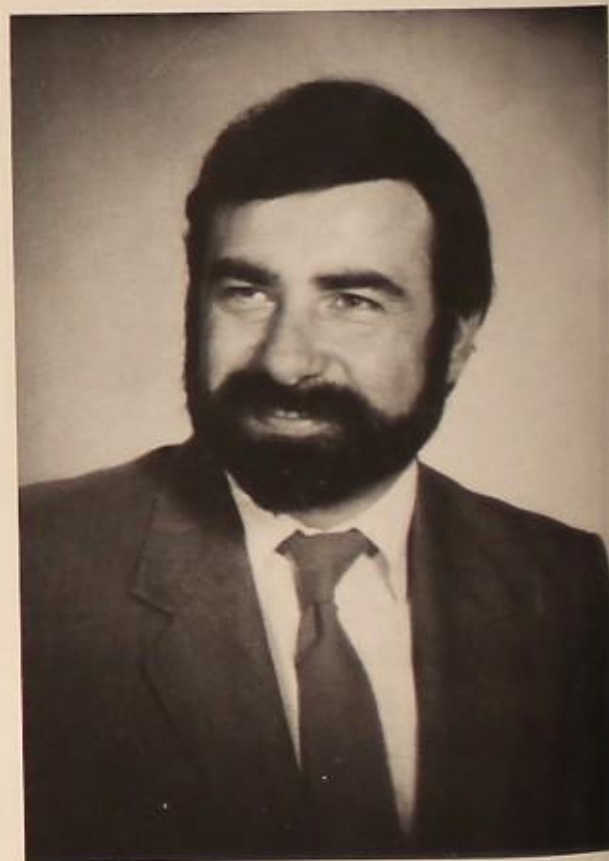

Respectfully,
Debbie N. Pepin, Principal

GUILDERLAND HIGH SCHOOL ACTIVITY DIRECTORY		
HAPPY HOLIDAYS & LOVE & PEACE TO ALL FROM STUDENT GOVERNMENT	WINTER WEEK JAN 11-15 WINTER DANCE JAN 16 BE THERE	STUDENT RECOGNITION PROGRAM DEPARTMENT January 7 Thursday Period 9 KEY CLUB MEETING OFFICER Nominations ER

Hi, my name is Marna Jacobs. I am from a town called Lübeck near Hamburg in West Germany. I am living with the Allard family in Guilderland.

America is a lot different from Germany — this year helped me to understand those "mystifying" Americans!

During my stay I had the most important cultural experience in my life, and I would like to thank everyone that made me feel comfortable in G.C.H.S.

When I came to this country, I had a lot of strange opinions about the "American way of life." Similar to the Americans having some strange ideas about Germany. (No, not everyone in Germany wears "leatherpants"; No, I didn't come by bus to the U.S.!!!) Anyway, I enjoyed my stay in the U.S. and hope that next year more American students challenge the adventure "Exchange." Take the chance and visit us in Germany!

Thanks again, especially to my host family that was patient with me and understanding at times. We recognized that everyone is a "prisoner" of his own culture.

Marna

Hi! My name is Riikka Wesamaa and I'm a rotary exchange student from Finland, the "little" country of the lakes in Northern Europe, where it is really not so cold as you think.

My life here in Guilderland has been great, and I think American life is . . . American, with all its funny, overwhelming "plenties" in everything. Different, but fun. The best thing I've found in American schools is that people are encouraged to "be creative" and express themselves.

Although I've visited many places that I've absolutely fallen in love with — oh, good old Adirondacks, I'm going to miss you — it's the people that make the year so special. I think I've learned much from you — "new angles of life" — which is the greatest part of the experience. Many thanks to all of you who have brought special things to my life here.

Being an exchangee is a fantastic opportunity to open your mind to new things and see the world — which is — Guilderland, N.Y.

This year I'll forget not.

— Riikka

Hi, my name is Steffen and I'm a foreign exchange student from Denmark. Denmark is a country about the size of N.Y. state. Denmark is in the very south of Skandinavia, which is the north of West Europe. In most aspects it is much like Albany, there it is only a little warmer in the winter and a little colder in the summer.

I came here to learn about another culture and to learn to speak English (of which I already had 9 years in school in Denmark). I think Guilderland High has given me both. The cultural part simply by treating me like an American on both the soccer and the swimming teams. I met a lot of nice guys. Also, all of the people I have met in my classes. The language came automatically since my Danish didn't really help me here. I want to thank all of my friends and the teachers who have helped to make this a year I will never forget.

Thanks,
Steffen

Hello There!

My name is Laure Nougier. I'm a Rotary Exchange student from Avignon, in the south of France (where, when it's cold, it's still warmer than here!)

Everything is really different here: In school (in France we cannot change most of our classes), in the way of life, the different values. The involvement in sports, is also not so important in my country.

This year I have been able to discover the REAL America, not the one of movies or Westerns. I have met so many nice people here!

I'd like to thank the rotarians, my host families, my teachers, my friends, and all of you for the awesome time I had.

And if you get the chance to be an exchange student, go for it! I have had the best year of my life!

— Laure

Participation in the Rotary youth exchange program can be an experience that will color the rest of your life. It can also be hard, but a tremendous experience in understanding and learning all phases of a new culture. Change does not mean that one forgets your natural family, but rather that you expand yourself personally through a new family and friends. It is an opportunity, not a deprivation.

GCHS has been a participant in Rotary exchange programs sponsored by the Colonie-Guilderland chapters for over 15 years. Each year the program accepts three students from such far away continents as Europe, Asia, or South America, who reciprocate and in return accept three American students.

Winter Dance

Senior Class
King and Queen
Kevin Mullaney and Jen Walker

Also, for the second year in a row, a Pep Rally was held on Friday for the entire student body to help promote the winter sports program and, also, school spirit. Scooter races, cheerleading routines, and the introduction of the winter varsity sports teams highlighted the rally's activities. The Winter Court, consisting of three girls and three boys from each grade, was announced. On Wednesday, January 13, all students voted for three boys and three girls from their grade that they wanted to be on the court. The top female and male vote-getters from each grade were pronounced king and queen at the Pep Rally. This second annual Winter Week was culminated by the Winter Dance, attended by over 300 students and raised nearly \$800 for Student Government.

Our 1988 Winter Week, which was sponsored by Student Government, proved to be successful in some areas and unsuccessful in others. The week of January II consisted of five spirit days, Monday through Friday, which were poorly attended. The days included: Dress Down Day, Clash/ Mismatched Shoe Day, College Shirt Day, Ski Day and finally, the traditional Red and White Day on Friday.

Yearbook Staff

The '88 Tawasenthan staff has experimented with a new outlook in producing this yearbook. This included the new cover, and a unique theme which carries throughout the book. This theme allowed the staff to open the book with the freshman class and continue through to the seniors; this adds a new aspect to the yearbook.

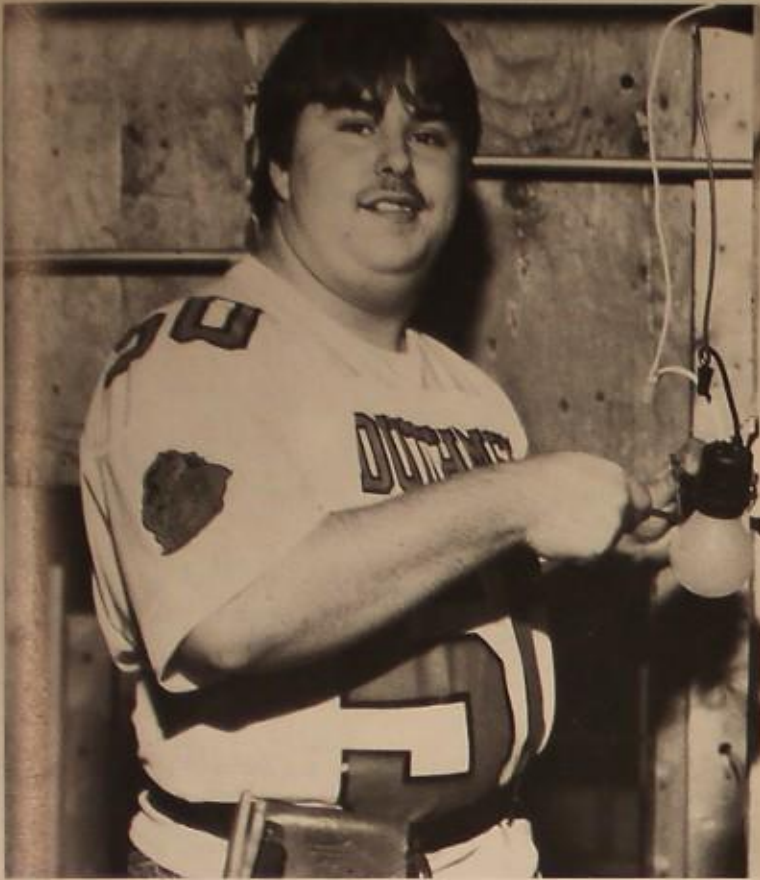

Working on the yearbook consists of long hours of hard work — doing layouts and organizing pictures, among other things. We hope that this yearbook is an accurate representation of student life at Guilderland. Each page has been created with much time and effort put into it. We hope that you enjoy your yearbook now and in years to come.

Focus

Focus is an alternative education program offered at Guilderland High School for students who do not experience success in mainstream classes. In this year of its 10th anniversary, the Focus program has done a variety of special activities: the Fall Picnic at Tawasentha, Thanksgiving dinner cooked by the teachers, "Shogun Macbeth" at the Egg, a final picnic and the awards banquet. Four teachers and an aide provide the support, encouragement, and academic skills needed to achieve the goal of graduation.

Orchestra And String

Walking by east sixteen during period three on any ACE day, you may have heard music coming into the hall. If you ever wondered who was making it, you might be interested to know that it was the Guilderland Central High School Orchestra better known as full orchestra, and for good reason. Thirty violins, seven violas, nine cellos, four bases, four flutes, an oboe, two clarinets, two bassoons, three trumpets, a French horn, two saxophones, three trombones, two tubas, and three percussion, all with players attached, certainly fill up space.

A smaller group of eight violins, four violas, four cellos, and two basses, all included in the full orchestra, make up the chamber ensemble, which traditionally plays at senior awards night, as well as a winter and spring concert, and the district festival in May which the full orchestra also plays in, under the conducting of Phyllis Lyngard.

Both organizations play all types of music, ranging from Baroque to contemporary and everything in between.

It could be a classic concerto, or a significant symphony, or some precocious composer's arrangement of a popular piece. But whatever it is, you don't need to wonder anymore about who's rehearsing in east sixteen.

BAND

Jazz Ensemble

Now in its sixth consecutive year under the direction of James Corigliano, the Guilderland High School Jazz Ensemble is going strong. Its twenty-three members rehearse every morning in the bandroom, during homeroom, and perform at least three times each year, at Guilderland's December, February, and April concerts.

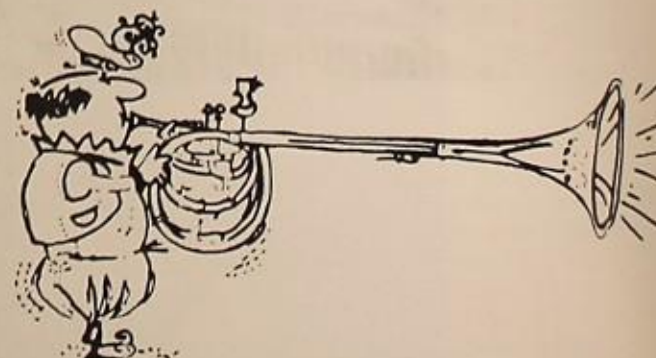

The Jazz Ensemble features members from every grade level. Seniors, Kevin Barcomb, Julie Cummings and Laurel Beverly have all been in the group for four years. Other seniors in the band are Rob Stealey, Lonny Fiber, Marc Vincent, and Pret Inglee.

Juniors in Jazz Ensemble are Dieter Drake, Janine Pangburn, Andy Whitney, and Kevin Hodgson. Sophomores include John Fulgan, Josh Zitomer, Joe Zitomer, Mike Falzano, Mike Richman, Danny Fiber and Vince Compareita. And the freshmen in the band are Kyle Drake, Brig McCutcheon, Steve Clarke, Scott Bowden and Dave Tucker.

The format of the Jazz Ensemble is such that many different people are featured as soloists at one time or another. This year, featured soloists have included Mike Flazano, trumpet; Julie Cummings, tenor sax; Kevin Barcomb, Alto sax and Lonny Fiber, trombone.

The main objectives of the Jazz Ensemble are to give students the opportunity to play a multitude of different styles in a small ensemble situation, to encourage instrumental improvisation and most importantly, to have a good time, make friends and play good music. And since 1983, the Guilderland High School Jazz Ensemble has continued to do just those things!

Top row: Karen Edwards, Kevin Green, Brett Forman, Ethan Roy, Jessi Ruthman, John Birchler, Daniel Oneil, Kirsten Mundt, Stephanie Neaton, Jennifer Cohen, Johanna Woelfel.

Amnesty International is a new group in Guilderland, part of an international organization dedicated to working for the release of prisoners of conscience, fair and prompt trials for political prisoners, and an end to torture and executions. The group writes letters to government officials on behalf of specific prisoners, seeking more humane treatment and trying to end all forms of arbitrary imprisonment and punishment.

Future Business Leaders of America

Future Business Leaders of America is in its 4th year at GCHS. Although the emphasis of this organization is on developing leadership skills and on competition events at the district and state level, it is also a socially oriented group that enjoys having fun working together. It's a great way to develop personal skills and get recognition at the same time.

French Club

The French Club, "Le cercle français," in its second year of revival at Guilderland, is being received with much enthusiasm. This year's officers; Dave Gross, President; Cort Kim, Vice-President; Jen Walker, Secretary; Leslie Gross, Treasurer; and Amy Doyle, Sergeant-at-arms, are leading the French Club in fulfilling its purpose of furthering our knowledge and promoting our interest in French culture through extra-curricular activities.

The French Club held its second annual Christmas party and is avidly making plans for the upcoming Mardi Gras as well. In June, we will travel to New York City to see the Broadway sensation "Les Miserables." In the future, the French Club hopes for even more enthusiasm and participation as we continue to understand and appreciate the fascinating French culture.

Wargamers

The Wargamers group is for any student who takes an interest in games requiring skill, intelligence, use of strategy or cunning. The games involved are as uncomplicated as checkers, subtle as chess, or as creative as Dungeons and Dragons. In other words, whatever happens to be challenging or interesting!!!

Back row: Daryl Bray, Mike Collins, Chris Klob, Harry Kearns, Mr. Parmenter.
Front row: Mike Lazaro, Sam Harrison, Mark Donaroma.

Riding Club

Club: Riding Club
Advisor: Mr. Seaman

The Riding Club is for those students who have an interest and desire to learn the proper riding skills both for recreational as well as competition riding. The club is involved in two riding sessions. The fall session involves those who are interested in trail rides. At this time the club meets at Willow Stables and the trail rides include riding through the Pine Bush area. The second session begins in November and meets at Billy Boy Stables. In this session students are taught about the care and handling of horses as well as the correct skills of riding. Students receive a one hour lesson every Thursday at 3 p.m. given by a qualified instructor. Many students go on to compete in local house shows in the area.

Back row: Mr. Seaman, Janice Carmello, Yonna Welsh, Libby Wells.

The Tawasenthian Chapter of the National Honor Society promoted H.U.G. week; sponsored the third annual eighth grade orientation evening; sponsored the Canadian Students Against Global Extinction Presentation; raised money for donations during April Aid by selling jewelry and Valentine's balloons. In October, the Tawasenthian Chapter recognized 28 new members during an induction ceremony held at the high school.

German Club

The German Club is open to all students who want to familiarize themselves with the German culture. The club involves itself in various activities such as the Oktoberfest, the International Festival, the annual trip to the Bavarian Chalet, scavenger hunts and German brunches. The club discusses much more than simply the language itself. We discuss current German politics and other events of interest. German Club is a group where not only knowledge is gained but memories are made.

The Journal

If there's one thing I'll remember about *The Journal* it'll be the Journal Office. I will never understand how something so small could get so full of newspapers, junk food wrappers, homework, textbooks, photos, and people. People like Mr. Smith, our amazingly dedicated advisor and journalism teacher. People like the rest of the staff, who worked long and hard to make each issue better than the one before. People like the seniors who took the journalism course and sweated over one story for weeks so that it would be "good enough for the paper." People like the artists who came out of nowhere (or were pulled out, kicking and screaming) to provide quality graphics on a tight deadline.

If my memory doesn't fade too much, I'll also remember the endless evenings spent laying out pages, the typos and mistakes we didn't notice until after the paper was printed, the staff meetings where story ideas and angles materialized out of thin air, the lessons we learned about fairness and accuracy, the readers who praised our merits and pointed out our faults, the deadlines we missed and the people who hounded us until we finally published just to spite them, the pictures we forgot to take, the stories we forgot to write, and the people I forgot to thank for making my tenure as editor-in-chief one of the best years *The Journal* ever had.

Troubadour

The Troubadour, Guilderland High's literary magazine, is published each spring. Beginning in November, the staff reads submissions and decides which pieces have the most literary merit. The staff then edits the pieces in preparation for sending them to Mrs. Harrington and her student typists.

Community Service

In its third year at Guilderland High School, the Community Service Program has over 140 students registered to volunteer their services to the community.

Many students are involved in long term volunteer services such as working at local hospitals, nursing homes, and daycare centers. These students are spending their after school, weekend and/or vacation hours providing valuable assistance to local agencies.

Another group of students spends some of their unscheduled time during the school day volunteering at the high school. Their activities include: assisting teachers in special programs such as the Hearing Impaired and the F.S.I. Programs, acting as couriers in the offices and Xerox rooms, performing clerical duties in the Guidance Center, assisting in the School Store, and tutoring other students. The Student Service League (SSL) is a new aspect of this year's program. The students in the SSL volunteer their time to local agencies to help in fundraising and other activities. Some of the activities that these students have participated in include: the Muscular Dystrophy Telethon, over Labor Day weekend, the Rosenschantz Concert held at Guilderland High School, the Marine Corps Toys for Tots Drive, and Christmas Caroling at O.D. Heck.

Dedication, time, and helping others — that's what Key Club is all about. With 125,000 members participating in 3,600 clubs worldwide, Key Club is the world's largest community service organization. Each year Key Clubbers provide more than six million man-hours of community service. Guilderland High School boasts an extremely dedicated and involved Key Club with over fifty active members. The Guilderland High School Key Club is sponsored by the Western-Turnpike chapter of Kiwanis International.

Activities this year included: adopting needy families for Christmas, caroling at an Albany nursing home, raising money for the Ronald McDonald House, baking food for the homeless, the Superdance, Teacher Appreciation Week, and planting tulips around the school.

As you can see, Key Club is a hard working, industrious, and productive organization. Guilderland Key Club, with Mary Beth Vail as adviser, Maria Stone as president, Jeanne Smith as vice-president, Leslie Gross as secretary-treasurer, and Chris Markowski as Sergeant-at-Arms — promises to provide its school and community dedication and service for many years to come.

Project Adventure Club

The Project Adventure Club, A.K.A. P.A., is designed to give its members an opportunity to increase their confidence in themselves and each other. Activities often involve group effort and cooperation. But more than that, it's fun; that is if you enjoy climbing walls, jumping off ceiling rafters, and repeatedly boggling your mind with seemingly unsolvable puzzles.

Altogether, P.A. has formed some rather strong friendships, and we're sure Coach Rorick deserves a big hand for bringing us together and putting up with us.

Ski Club

The Ski Club is open to any student in the high school of any ability level. This year has been the best ski year in sixteen years. We plan trips, as often as possible, all over the Northeast to such places as Gore Mt., Whiteface Mt., Stratton Mt., and Killington Mt., among many others. We also plan a weekend trip once a year, and this year we went to Smugglers Notch, Vt.

S.A.D.D.

Students Against Driving Drunk. Our purpose is to save lives, educate students concerning the laws in NYS, and to increase public awareness and prevention. Many students feel that SADD members are out to condemn everyone's fun, this is quite a backwards image, whereas we want to make sure everyone will continue to be able to have fun. For the third year now we have participated in Albany's county wide dance, visited Elementary schools, promoted Prom and graduation (alcohol free) events, and started the signing of contracts, which we hope for next year will increase.

International Club Members are people who are interested in knowing more about the people, culture, geography, etc., of the other countries in our world. We learn through guest speakers, by sharing our own experiences and backgrounds of knowledge, and from trips to ethnic areas in neighboring cities.

An eagerness to learn more about others and a recognition that we are part of a large world community are characteristics of students who hope that greater understanding can lead to a better world. And we love to travel and have fun!

Super Dance

This year the Key Club sponsored its 4th annual Super Dance on Jan. 30, in the west gym. The 1988 area poster child, Michelle Gagnon, attended the dance and helped the dancers to keep their enthusiasm while dancing 7 hours to benefit The Muscular Dystrophy Association.

A fun time was had by all as students danced to La Bamba, played Simon Sez, and participated in the Limbo. With over 100 dancers, the event raised a total of \$4,000 making this the most successful super dance yet.

The varsity boys soccer team, fielding its youngest squad in years, managed to do well this year, despite preseason predictions stating otherwise. Most experts felt that the team would not be a "typical Guilderland team" this year, a team that would be very difficult to beat. Well, they were wrong. As usual, the team was a typical Don Snyder club. They were tough, aggressive, scrappy, and they worked very, very hard. As many cited, the individual skill was not abundant, but that typical Guilderland soccer success was. After placing second in the Gold Division race behind Burnt Hills, the Dutchmen upset the Spartans in the semifinals of the sectionals and then went on to be defeated in the finals by a tough Shenendehowa team, 2-0. The final team record was 13-6, despite the preseason predictions. Several Guilderland players were selected for the All-Suburban Council team. Sophomore Jaime Deluca and junior Empire State Games member Bill Usher, who also led the team in goals scored, were selected to first team, while juniors Terry Reilly and Craig Levernois, also Empire State Games members, were selected to the second and third teams, respectively. Levernois also led the team in assists with 14.

With only four varsity football team members returning from last year's 6-3 1986 team, this year wasn't expected to be a super season. Coach Alex Sokaris' first year at the helm of the Guilderland football program, after coming from a successful tenure at Albany High School, proved to be less than pleasing. The Dutchmen managed to tally a 1-8 record beating only Niskayuna in the eighth game of their schedule. This season's MVP awards were given to Arnel Joyner and Pete Kitler, while Mike Vaughn received Line-man of the Year and Pat Crocetta received the "100%" award. Joyner, a junior runningback, was also named to the third team All-Suburban Council. Despite the unsuccessful win-loss record, Sokaris states that this was "a building year." He also feels that there are fourteen kids returning who can "play football" and says that with the help of a promising JV squad, next year they'll be "shooting for, at least, .500."

Cheerleading

The varsity football cheerleaders, although cheering for a team that only won one game, managed to keep the crowd going at all the games. With nine seniors, five juniors, and one sophomore, the varsity squad was able to boost school spirit and keep the team morale high throughout the long 1987 football season. Senior captains Kim Taylor and Nicole Mahoney, under the fine direction of head coach Patti Palmer, led the squad through perfectly synchronized sidelines and dazzling half-time routines. This year's team had an opportunity to compete in a fall

cheerleading competition, but the event was cancelled due to technicalities. One might think that with so many team members graduating, the squad might be in trouble next year. Never fear! The JV squad is full of new recruits who are ready to meet the high expectations and athletic demands of the newest sport at Guilderland.

Row number 4: (standing) Coach Bill Drake, Coach Sandy Morley, Stacey Barna, Paul Levin, Jen Alexander, Ed Balet, Kirstin Ross, Pret Inglee, Rob Stealey, Tim McCarthy, Josh Zitomer, Greg Balet, Dieter Drake, Matt Klein, Joe Cook, Colin DeSacia, Scott Bowden, Coach John Wagner.

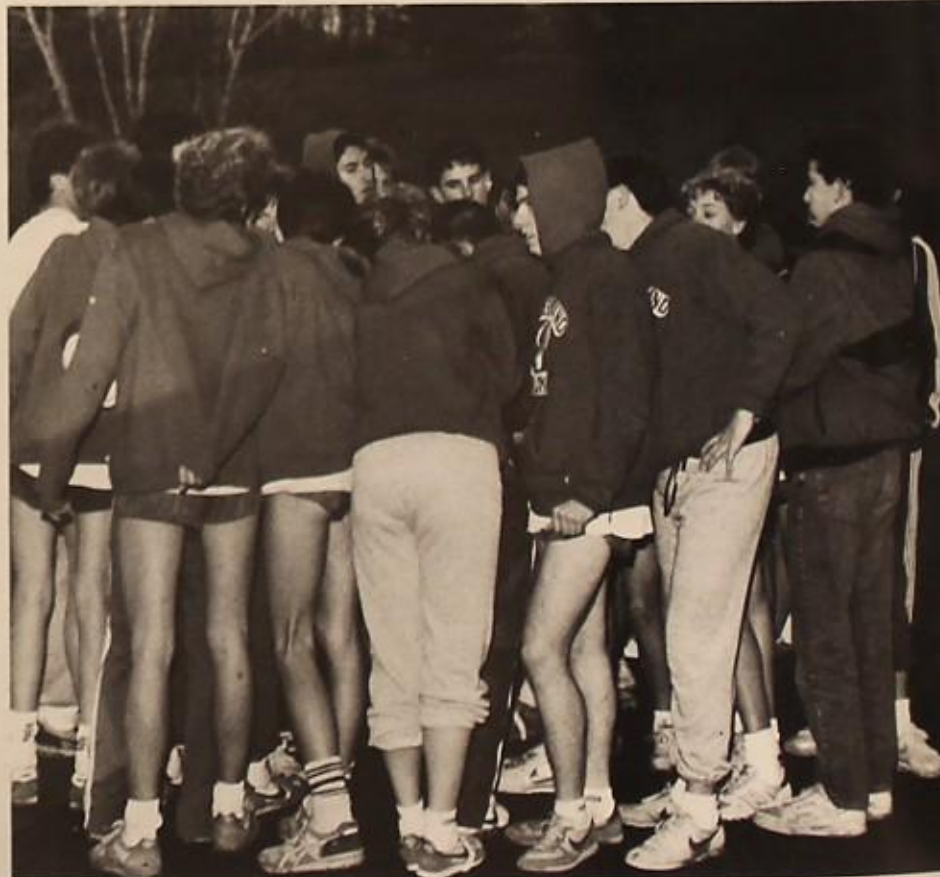

This year's varsity boys cross country team made an outstanding improvement over 1986. The varsity top 7, comprised of junior sensation Dieter Drake, this year's MVP, senior standout and captain Rob Stealey, sophomores Dan Rausch and Jim Richmond, junior Tim McCarthy, freshman Josh Zitomer and senior captain Pret Inglee, managed to post an 8-2 league record, (12-2 overall) losing only to Section II champion Saratoga and Gold Division champ Bethlehem. This record was an improvement over 1986's 7-7 tally.

The varsity girls, on the other hand, comprised of senior standout, Kirstin Ross, this year's MVP, juniors Dee Buckhoff, Lori Buckiewicz, and Kelly Stealey, and eighth graders Liz Bintz, Jen Levin and Jen Alexander, managed to tally a 4-6 league record (8-6 overall).

The freshman boys team, under the direction of coach John Wagoner, managed to go undefeated in the league, while also finishing first in four of the five major invitationals at which they competed. The freshman girls, meanwhile, finished either first or second at four of the major invitationals. Ed Balet, Steve Wacksman, Adam Ellenbogen, and Alan Camardo led the JV boys through a fine season. Balet, Wacksman and Camardo earned their varsity letters, along with the varsity top 7.

This year's cross country program, which functioned as "one big family," was, once again, under the expert direction of head coaches Bill Drake, Sandy Morley and John Wagner.

Drake, Ross and Stealey were also selected to the Suburban Council All-Star team, while Drake finished first at the Section II meet and took the runner-up spot at the State Meet. Drake was also selected to the Third team All-State, while Stealey was given Honorable Mention honors.

Volleyball

Row number 2: (standing) Pepe Prieto, Peter Wang, Dennis Holmes, Oliver Reeg, Jeff Teschke, Marc Vincent, Scott Draiss, Coach Randy Jerrald.

This year's varsity volleyball team made the transition well. In their first year as a fall sport, as opposed to the winter, the varsity volleyballers took first place in the Gold Division with an overall record of 14-1. The team's only loss was to Shenendehowa, who, also 14-1, shared the top spot in the Suburban Council with Guilderland. First year volleyball coach Randy Jerrald took the reigns of the varsity this year and managed to do a fine job. Junior standouts Rob Boyce and Darin Miller, both Empire State Games members led the team to the first place spot. With only three seniors on this year's squad, the 1988 season looks very promising.

Row number 1: (kneeling) Steve Holmes, Jay Kesslen.

Changing seasons hurt this year's girls volleyball team. With its new placement in the fall season, the varsity volleyballers lost several key players to other fall sports who might have helped tremendously this season. The varsity team also lost their best, and only, setter, Meredith Adams, early in the season. Senior Kate Day filled that spot and did a fine relief job, although she had never set before. Despite these handicaps, this year's squad managed to post a 6-6 league record. This was a minor drop from last year's 6-4 record. Under the direction of veteran coach Mary Yager, senior captains Gina Dornburg and Joelle Kunkel helped the volleyballers maximize their potential despite the missing links. The varsity girls finished in fourth place in the Gold Division and their biggest upset of the year was beating Bethlehem in their second meeting. Dornburg, one of the two veterans on the team, was named to the First Team All-Suburban Council.

The varsity girls soccer team, despite a couple of internal tragedies, managed to improve their record this season to 8-7-2, topping last year's record of 8-8-2. Under the direction of second year head coach Barb Haines, the dutchgirls were led by senior tri-captains Lori Walker, Colleen Kavanaugh and Debbie Oppedisano. Walker and Kavanaugh, both Empire State Games members, were named to the All-Suburban Council's first team, while Oppedisano, freshman Tasha Fleury and senior Maria Stone earned honorable mention status. Kavanaugh was also named to the Section II All-Star team. This year's squad was also unique, in that, it started two freshmen, Tasha Fleury and Kristen Spargo, both of whom Haines will look to for leadership in the next three years. Haines cited the climax of the season to be the Scotia game toward the end of the season. At this time, the team was 6-6-2. If they won the game, they would have a .500 record and they would be able to compete in Sectionals. However, if they lost, their season would come to an end. Fortunately, they beat Scotia, who would go on to be the Class B champs, 1-0. Next year will be a rebuilding year for the girls, as they will lose twelve seniors. "It will be just like starting over," says Haines, "but the girls are finally starting to play summer soccer and attend summer soccer camps. Hopefully, they will come to us with more skill now. Sure, it's a rebuilding year, but I think we should have a .500 season and make the Sectionals."

Row number 3: (standing) Kris Ferris, Karla Ferrucci, Jen Lennebacker, Ali Roemer, Jessica Jacklet, Kim Ferris, Coach Larry Rorick.

After losing three of the top four players from the 1986 team, this year's girls tennis team managed to do quite well, posting a 5-4 league record. Senior Stephanie Zacharias was, perhaps, the biggest surprise of the year, finishing the year in the top singles spot, with a record above .500, despite competing with the best players in the league. Seniors Jess Jacklet, Mara Berman, Leslie Gross and Geri Anne Fennessey, and junior Jen Lennebacker round out the top six singles spots. Lennebacker was another big surprise for the team, as she was competing in the twelfth position at the end of last year. Senior Carla Ferrucci and sophomore Maurisa Winters were the top doubles team, tallying a record of 8-1. They were followed by teams of Kim and Kris Ferris, both juniors and Kristin Webb and Andrea Zacharias, both seniors. The team members, however, focus, not only on the individual and team records, but, perhaps, more importantly, on their internal relationships. They stress that this season was a building year, not only in the aspect of their game but also because they all got to know Coach Larry Rorick and each other much better.

Row number 1: (sitting) Sasha Ferrucci, Katie Robson, Natasha Kapsaroff, Tara Butler, Allison Decker, Christine Silvia.
Row number 2: (kneeling) Beth Cleary, Aleisha Barkley, Ellen Shub, Jill McCutcheon, Amy Krebs, Julie Urban.
Row number 3: (standing) Coach Janet Kuzman, Liz Fassett, Erica Wells, Julie Fletcher, Suzanne Kaback, Kim Day, Kim Leupold, Beth Womer, Kari Noviczski.

After a disappointing 4-16 1987 season, the varsity boys basketball team, starting four juniors, managed to top the Gold Division and take Catholic Central of the Big Ten to overtime in the quarterfinals of the Sectionals. The Dutchmen, with only one senior in the top 6, had two returning junior starters in point guard Arnel Joyner and center Jason Morton. Dennis McCormick, the team's 3-point ace, was hurt much of his junior year and didn't see the court as much. Rounding out the starting five were juniors Ralph Simeone and Tim McCarthy. Pre-season, the Dutchmen weren't expected to beat Bethlehem, Section II's tallest team, for the Division title. However, this year's squad managed to overcome the Eagles both times the two teams met in league play. Ralph Simeone led the team, averaging 17 points per game and Jason Morton led the team in rebounding. This year's MVP award went to seniors Steve Vyce, Mark Bonner, Tom Henk and Dennis McCormick, while the Most Improved went to sophomore Mike Ruberti. The Dutchmen finished off 14-8 this year after losing to Catholic Central by three in overtime in the quarterfinals of the Sectionals. Coach Tom McCarthy's Dutchmen are expected to do extremely well next year, losing only McCormick to graduation.

After capturing the Gold Division championship in 1987, the varsity girls basketball team, behind four starting veterans, managed to tally a 15-7 overall record, good for a share of the Gold Division crown this year with Niskayuna. Seniors Kris Wykes, Maureen Kennedy, Maria Stone and Lori Walker led the girls team this year, along with juniors Kim and Kris Ferris and Colette DeSacia. In what was Coach Cathy Cleary's first year at the helm of the Guilderland varsity, the dutch girls were expected to be number one right from the start. However, Cleary and the girls knew that it would be harder than it looked. Their season was full of obstacles and, in each case, they pulled together as a team and overcame them. Injuries plagued this year's squad, including senior center Lori Walker, who was injured and missed a good portion of the season. Cleary is pleased with her team's performance this season and feels that each and every girl improved, both their basketball skills and their personal skills.

Cheerleading has always been excellent at Guilderland, however this basketball season things were made more exciting when four senior guys joined the squad. Pret Inglee, Marc Vincent, Jeff Schimelmann and Dan Brahler were the newest attractions to our already spectacular varsity girls. After lessons from Siena College's male cheerleaders, the varsity squad was able to perform more complex and eye-catching stunts. Coach Jean Schuhle's team was, as usual, picture perfect and totally in sync with one another. The varsity squad competed in several cheerleading competitions, in which they finished quite respectively, including one in Chicopee, Massachusetts. As usual, the squad, behind senior veteran co-captains Jen Walker and Nicole Mahoney, boosted school spirit and helped the varsity basketball team through a very exciting, successful season.

Wrestling

The varsity wrestling team, with only one upperclassman on the squad, finished out with a record of 0-1-15 this season. The freshman and sophomore dominated squad, after finishing 4-16 last year, struggled through a tough season this year. Kyle Drake, a promising freshman wrestler, was the only member of the team to place in the Class A meet, finishing in 6th place. Several other varsity wrestlers have shown great potential and Coach Glenn Petersen's grapplers are looking to excel in the next couple of years.

This year's varsity indoor track team was said to be "always a pleasure to coach" by varsity coach Bill Drake. This year's group, although lacking in numbers and in field events, did quite well in most meets. The boys were paced by junior cross country champion Dieter Drake, senior Mike Slattery and freshman sensation Josh Zitomer, while the girls were led by senior sprinter Sarah Haviland. The squad's two-mile relay team, comprised of Drake, Slattery, Rob Stealey and Zitomer ran an excellent time of 8:25.7 in the Class A Sectionals, good for second place. Freshman Steve Clarke, a new addition to the Guilford track program, proved to be highly competitive in the varsity distance events, while Alan Camardo, Matt Reedy, Adam Ellenbogen and Dan Rausch proved to be very consistent in the middle distance events. Jim Richmond, Pete Kremer, Bill Smith and Cresta Smith also proved that they too were equally important to this year's squad. Haviland, Drake and Slattery all competed in the State Meet this past winter in the long jump, 3200 meter run and 100 meter run, respectively. Haviland also broke a school record with her leap of 16'8½" in the long jump. This year's hard working group proved that success doesn't always come in numbers.

Bowling

After losing three excellent senior bowlers last year, this year's bowling team finished with an overall record of 16-48. The top bowlers from this year's squad were Paul Levin, who carried an average of 175, Rik Koelling, who finished with a 169 and Rich Pangburn with a 165. Despite this year's disappointing season, next year looks to be much better, as two of Coach Bill Leicht's best bowlers will be returning and several freshman bowlers are showing great potential.

This year's varsity girls and boys cross country ski teams, behind several outstanding performances, finished 7th and 5th, respectively, in the ten-team Section II nordic ski league. The girls were led by seniors Kirstin Ross, Andrea Zacharias and Stephanie Zacharias and the boys were paced by junior Greg Balet and seniors Ed Balet and Brian Smith. Greg Balet, a varsity veteran, was the top skier for the boys this year, as he finished 6th in sectionals and then went on to the State Championships, where he finished in 15th place. Balet is the fourth skier ever to make the State Championships from Guilderland. In addition to this, 7 Guilderland skiers competed in the Empire State Games this past winter.

After staying even with last year's team, the varsity gymnasts managed to post a 6-8 overall record. Coach Mark McDonald's club, after losing standouts Stephanie Sholtes and Tracy Fitzgerald, managed to pull together for several outstanding performances. The team was paced by seniors Bernadette Virkler and Anne Fasset, sophomores Chrissy Fitzgerald and Tara Soehnel and freshman Kristen Fasset. McDonald cited Anne Fasset as a positive addition to the team and a very nice surprise as she was not expected to come out. However, the team also had eight 8th graders, who, in most cases, had never competed before. McDonald said to look for 8th graders Jackie Soehnel, Michelle Wingate and Betsy Crary to excel in Guilderland gymnastics in the future. He also said that inconsistency, especially on the beam, hurt the team this year, but feels that next year, knowing what his team has to do, should beat Niskayuna and Shaker to take control of 3rd place in 1989.

After posting a league record of 5-10, the 1987 Varsity Lacrosse team readied themselves for a fine 1988 spring season. Although senior standouts Mike Cenci and Dave Shamburger, both first-team all-leaguers in 1987, were lost to graduation, the Dutchmen's '88 squad looked, potentially, very tough. Behind the high expectations of head coach Russ Ferris, the Dutchmen team was headed by four Empire State Games participants: junior goalie Bob Gula, who in '87 tallied a .685 saves percentage, and a team MVP award, senior brothers Cort and Blake Kim, both attackmen, and senior defenseman Larry LeFevre. The lacrosse program at GCHS continues to progress, both in numbers and in talent.

In 1987, the boys varsity track team improved tremendously, making the jump from mediocre to competitive. The varsity boys, with strengths in all areas of the sport, were expected to continue improving their reputation as a Section II power. Arnel Joyner, Section II triple jump champion and Empire State Games member, led the team in the field, along with the brother combo of Steve and Bill Usher in the high and triple jump, respectively. Jason Morton, Sectional runner-up in '87, continued to make a name for himself as a fine area hurdler. Freshman sensation Josh Zitomer specialized in the 400 meter run and the pole vault, and provided depth in many other needed areas. Sophomore Jim Richmond continued to excel in the steeplechase, after placing second in that event in the 1987 Sectionals. Junior cross country sensation Dieter Drake and senior Rob Stealey provided the points in the distance events, while senior Mike Slattery and junior Tim McCarthy teamed up to give strength to the 800 meter run and the 4x800 relay. All three relay teams, 4x100, 4x400, and 4x800 established themselves as Suburban Council standouts. Coaches Bill Drake and Denis Slattery continue to lead the Dutchmen track program in the right direction.

Girls Track And Field

Because a 1987 team picture for girls track and field was not available, we feel it is appropriate to list the team members separately. They were as follows: Amy Bruce, Dee Buckhoff, Lori Buckiewicz, Theresa Clough, Colleen Coogan, Toni Corigliano, Christal Cudworth, Laura Dolins, Tracy Fitzgerald, Jen Haupt, Sarah Haviland, Colleen Kavanaugh, Jen Kilcher, Karen Lee, Karen McDonnell, Lili Neubauer, Nancy Olson, Deborah Popolizio, Gina Popolizio, Kirsten Ross, Stephanie Sholtes, Chrissy Smith, Amy Taylor, Jen Travis. Coaches Dick Usher, Randy Jerrald, and Carrick.

After a disappointing 4-5 1987 season, the varsity girls track team was looking for a more competitive showing in the spring of 1988. With a lack of numbers, it is hard to be competitive in a sport such as track. However, the varsity girls made the best with what they had. Section II standout Sara Haviland, who is ranked highly in both the 100 and 200 meter dashes, looked to have a fine season to culminate her senior year. Fellow senior Kirstin Ross, coming off a superb Cross Country season, looked to excel in the 800, 1500, and 3000 meter runs. Juniors Dee Buckoff and Lori Buckiewicz provided much needed strength in the middle distance races. Ross was expected to, basically, fill in for last year's sensation Chrissy Smith, who was lost to graduation. The girls 4x800 relay team comprised of Ross, Buckoff, Buckiewicz and eighth grader Jen Levin did well in most Surburban Council contests.

Our School and Community

Community

Guilderland is residential suburb of Albany, New York, with a population of approximately 28,000. The people of our community have placed a high priority on the education of their children and have given the school system the highest level of support possible.

Alma Mater

O Guilderland, dear Guilderland
Beneath the stately Helderbergs,
We're here to sing our praise to thee,
and ever loyal we shall be.

We raise our voice in song and know
That our victorious team shall grow;
In spirit strong and all the rest
Our Alma Mater is the best.

Congratulations Seniors

Good luck in the future, may your success always be onward and upward.

Numbered days are counting down
Senioritis coming 'round
Every day you have to make
An effort just to stay awake.
Tests and finals, classes labs.
Teachers are becoming crabs!
I hate this time, the end of the year.
When are we getting out of here?
Graduation is coming soon
I can't wait til the end of June.
On to college, finally —
Out of high school's misery.
Seniors are the very best
Superior to the rest.
Almost time for the Senior Ball
After that, we've done it all.
Now that our high school days are
done,
The Juniors can start having fun.

— KAEK
